

DESPITE EFFORTS BY THE
MEDIA AND POLITICIANS TO
CONVINCE US OTHERWISE,
THERE IS LITTLE "NATURAL"
ABOUT THE CAUSES OR
IMPACTS OF NATURAL DISASTERS.
CLIMATE CHANGE IS DRIVEN
BY CAPITALISM'S DEMANDS
FOR PERPETUAL GROWTH AT
THE EXPENSE OF OUR
PLANET'S FINITE RESOURCES.
THE POWER STRUCTURES THAT
FUEL DISASTERS AND THEIR
EVENTUAL RELIEF EFFORTS
DISPROPORTIONATELY AFFECT
POOR PEOPLE OF COLOR.

THIS SYSTEM MUST BE DISMANTLED

OR WE WILL ALL SINK BENEATH THE SEA
