

Rest in Power

*When we are with
God, there are no
borders.
Man made borders
on this earth.
-Rita Ruiz de Guillen*

*Cuando estamos con
Dios, no hay fronteras.
El hombre hizo fronteras
en esta tierra.
-Rita Ruiz de Guillen*

*Alonso Guillen
descanse en paz*

Alonso Guillen, a "dreamer", died rescuing victims of Hurricane Harvey, days before Donald Trump would have illegalized him with the stroke of a pen. We dream of a world with half the heart Alonso had, a world without borders or Trumps.
